

FREE ONLINE MENTAL HEALTH RESOURCES

The resources and information provided within this document are intended to be for informational purposes only. While every reasonable effort has been made to ensure the accuracy of the information in each of the resources, there is no guarantee that the information is free from error or omission. The information is not meant to treat depression, anxiety, bipolar disorder or any other mental illness. The diagnosis and treatment of clinical depression, anxiety, bipolar disorder or any other mental health illnesses requires the attention of a physician or other qualified mental health professional. If you are seeking a diagnosis or treatment for mental health concerns you should consult a physician or other qualified mental health professional.

The resources provided in this document are NOT a substitute for proper diagnosis, treatment or provision of advice by an appropriate mental health professional.
